ORDER:

In his letter read above, the ENC (R&B) SR, Hyderabad has stated that the Yadagirigutta village and Mandal of Nalgonda district is one of the most famous & important Hindu temple and holy pilgrim centre in Andhra Pradesh. The frequency of pilgrims visiting the Lord Sri Lakshmi Narsimha Swamy's shrine has been increasing day by day from all parts of the state and also from other states. The current Ghat road was laid in 1965 and is not catering to the present day of traffic flow. The length of the existing Ghat road is 1.60 Km with B.T carriageway of 7.0m. The traffic intensity on the existing road is very high and is getting congested on public holidays and special occasions. The existing Ghat road contains exceptional gradients covering major portion of the road which are varying from 1 in 14 to 1 in 16. So, it is quite necessary to construct a second Ghat road to cater for the vehicles to have two way facility to go up and another to get down with the existing Ghat road for downhill traffic. The alignment of the proposed 2nd Ghat road starts at Km 16/2 of Turkapally-Yadagirigutta road considered as starting point of proposed Ghat road as Ch 0/0 at the foot of Ghat and ends at temple arch at Ch. 975.00 with a total distance of 975.00m. It is observed that during weekends more than 25000 vehicles are plying on this road, by providing separate lane for upward movement of vehicular traffic duly utilizing the existing lane as down ward traffic which enables to avoid public inconvenience as well as traffic congestion.

2. The ENC (R&B) SR, Hyderabad has certified that no land acquisition is required for the proposed project and the lands available are free from encumbrance, encroachments and mutilation.
